ANNOUNCEMENTS

- **It is important and urgent** that ESSnuSB be presented and exposed at the international conferences and projects at which neutrino physics and projects are discussed. For this the ESSnuSB Dissemination and Exploitation Board (the DEB) invites all ESSnuSB colleagues to consider submitting an abstract for poster presentation to one of the conferences listed at the end of this ESSnuSB Gazette. When you submit the abstract you are requested to send a copy to the DEB (Dissemination and Exploitation Board) using the email address ESSNUSB-DIS-L@IN2P3.FR such that we can coordinate with other abstract submissions from ESSnuSB.
- Students are welcome to attend the Invisibles' 19 school co-organised with Cost Action EuroNuNet: <https://indico.ific.uv.es/event/3427/>
