

ESSnuSB Gazette - Issue - #18

Funded by the Horizon 2020
Framework Programme of the
European Union

The two ESSnuSB videos targeting the general public and the scientific community are now at their final stage of completion. The final version is expected end of September.

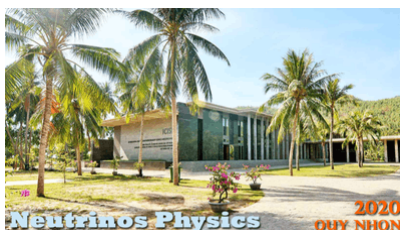

PROJECT MEETINGS

- The 4th ESSnuSB Annual meeting (3.5 days) will take place between the 16th and the 19th of November 2020. The venue will be at CERN, provided the CoVid19 situation allows it. If not, the plan B is to have a remote conference.

COMMITTEE MEETINGS

- 12th DEB meeting - 25 August (10h00). Meeting minutes are available [here](#).
- 16th MT meeting - 28 August (10h30).
